

Originariamente progettato per condurre i nostri test di prova, *Musica* è un amplificatore prezioso, che offre una risposta timbrica capace di coinvolgere l'ascolto per mezzo di soluzioni estremamente raffinate. Volutamente discostato dai canoni commerciali, è uno strumento riservato a veri intenditori, a coloro che desiderano ricreare le condizioni di ascolto da noi utilizzate durante la delicata fase dell'"accordatura".

Originally designed to perform our listening tests, Musica is a valuable amplifier offering a tonal response capable to involve the listening by means of extremely refined solutions. Being intentionally away from the commercial standards, it is an instrument for the good listeners, for those people who wish to recreate the listening conditions we use during the delicate phase of "instruments tuning".

AMP	<ul style="list-style-type: none"> 2 x 50 W in 8 ohm 2 x 100 W in 4 ohm Left and right symmetrical PCB design SMD (surface mount design) technology for shortest signal path Total gain 28 dB Dual jfet differential input with double bootstrapping Error corrected mosfet output stage Low impedance dynamic drive capability DC, short circuit and thermal protection circuit Six line input Buffered record output Custom made plastic conductive potentiometer for volume control Mechanical input selector with switched ground line WBT gold plated speaker terminals
POWER SUPPLY	<ul style="list-style-type: none"> Torodial power transformer Customised twin 1500 µF low multiplication factor main capacitors Independent power supply for input gain stage and out-put stage Ultra high speed schottky diode rectifier in double bridge configuration for input stage and out-put stage Discrete voltage regulators for input gain-stage
FINISHES	<ul style="list-style-type: none"> Front: solid walnut or black piano lacquer Controls and spikes in gold plated copper
DIMENSIONS	<ul style="list-style-type: none"> 425 x 335 x 155 mm. (W x D x H) 17^{1/2} x 13^{1/2} x 6 in. (W x D x H)
WEIGHT	<ul style="list-style-type: none"> 13,5 Kg. (29 lbs.) - net weight 16 Kg. (35 lbs.) - shipping weight
